

Delays and cancellations will be made using the Emergency Notification System (ENS). Students, Faculty and Staff can receive emergency and weather-related delay/cancellation notifications via email, text and/or phone. In addition to receiving alerts to your University of Scranton email address and work phone number, you may also receive a text message and/or phone call alert. Please update your phone number on your my.scranton.edu portal by clicking the ENS Registration.

Here is a link to the Compressed schedule that will be followed if a weather delay is needed. <https://www.scranton.edu/academics/registrar/compressed-schedule.shtml>

You can also call the Severe Weather Hotline at 570-941-5999 or tune into the local TV Stations (WNEP 16, WYOU 22, WBRE 28) to hear any information regarding delays, cancellations and Campus Parking Bans.
