C A n n

HAD Directs one time a week students are expected to attend and participate in class and should not be absent more than the allowable classes per semester of random points. Excessive tardiness, late or absence a day or more in the class. Each student's responsibility to attend and be present or over the course of the semester. Reasonable announcements about assignments, term evaluation and the final evaluation that are available in assignments more than the allowable absences or reasons of tardiness. Students note require written appointment for our rate or each class. Full attendance and participation is expected.
